No, I don't recall dealing with any form of border enforcement or militia groups. NGOs like the Border Angels, but not militias.

Subject: FW: FOIA Assignment for CBP-2017-084648

Good morning,

This FOIA request is for the El Centro Sector and is requesting the below. I had asked CBP FOIA to reach out to the requester to narrow the scope. The narrowing of the scope by the requester is provided below the original request, in black font. I will ask that OIT be tasked with providing the email portion of the search. I will ask that # 6 be assigned to DHS.

Except where otherwise noted, the timeframe for this request is January 1, 2013 through the date that searches are conducted for records responsive to this FOIA request.

1. All documents setting forth policies, procedures, operations orders, guidelines, guidance, best practices, or requirements relating to interactions between any Department of Homeland Security ("DHS") employee and any unaffiliated border enforcement group.
2. All communications between El Centro Sector and any other component of DHS, relating to unaffiliated border enforcement groups.
3. All communications between any employee of El Centro Sector and any representative of any unaffiliated border enforcement group.
4. All communications between any employee of El Centro Sector and the Department of Justice relating to any unaffiliated border enforcement group, including but not limited to communications regarding policies concerning unaffiliated border enforcement groups or potential unlawful activities committed by any unaffiliated border enforcement group.
5. All documents describing, memorializing, or constituting policies or practices for disciplining any employee of DHS for actions or conduct related to unaffiliated border enforcement groups.
6. Any documents reflecting the number of disciplinary actions taken by DHS with respect to DHS employees relating to unaffiliated border enforcement groups. - DHS
7. All documents, including but not limited to any communications or memoranda, referring to any of the following entities: Arizona Border Recon, Arizona Militia, Citizen Defenders, The Minutemen Project, Rusty's Rangers, Texas Militia or Three Percent United Patriots.
8. All documents referencing the content, or any responses to, Shane Bauer, "I Went Undercover with a Border Militia. Here's What I Saw.," Mother Jones

(Nov./Dec. 2016).

9. All communications with, or documents in any way referencing, Tim Foley of the Arizona Border Recon.

10. All documents containing, discussing, or memorializing communications with any officer or member of the National Border Patrol Council or National ICE Council regarding any unaffiliated border enforcement group.

11. In addition to the records requested above, we also request records describing the processing of this request, including records sufficient to identify search terms used and locations and custodians searched, and any tracking sheets used to track the processing of this request.

For purposes of this request, “unaffiliated border enforcement group” means any group consisting of two or more individuals who are not employed by the U.S. government and who purport to monitor border crossing or otherwise support or enforce restrictions on individuals crossing the U.S. border. Unaffiliated border enforcement groups may in some instances refer to themselves, or be referred to, as militias, citizens’ border patrols, or armed patriot groups. Examples of unaffiliated border enforcement groups include, but are not limited to the following entities: Arizona Border Recon, Arizona Militia, Citizen Defenders, The Minutemen Project, Rusty’s Rangers, Texas Militia or Three Percent United Patriots. Although we use the phrase “unaffiliated border enforcement groups” as a shorthand in this request, we do not expect that phrase to appear in most responsive documents, so a search limited by that term would not be responsive to this request.

RESPONSIVE RECORDS

We ask that all types of records and all record systems be searched to discover records responsive to our request. We seek records in all media and formats. This includes, but is not limited to: agendas, manifests, calendars, schedules, notes, and any prepared documentation for meetings, calls, teleconferences, or other discussions responsive to our request; voicemails; e-mails; e-mail attachments; videos; talking points; faxes; training documents and guides; tables of contents and contents of binders; documents pertaining to instruction and coordination of couriers; and any other materials.

Proposed Search Terms

My organization is not in a position to know which specific employees are likely to have custody of responsive records. However, to help craft an efficient search process, I agreed to provide functional descriptions of the employees who are likely to maintain responsive documents. For Requests CBP-2017-077592 & CBP-2017-077572, as applicable to the Rio Grande and San Diego Sectors, the following categories of employees should have their records searched: Chief Patrol Agent, Deputy Chief Patrol Agent, Border Community Liaison, any employee responsible for reviewing or responding to complaints or allegations of

misconduct, and any Border Patrol Agent who's duties involve direct enforcement duties at the border.

Requests 1, 2, 3, 4, 5, 6, 7: militia! OR “citizens’ border patrol!” OR “armed patriot group!” OR “Arizona Border Recon” OR “Arizona Militia” OR “Citizen Defenders” OR “Minutemen Project” OR “Rusty’s Rangers” OR “Texas Militia” OR “Three Percent United Patriots”

Request 8: “Shane Bauer” OR (“mother jones” & militia!)

Request 9: “Tim Foley”

Request 10: (“National Border Patrol Council” OR “National ICE Council” OR “Brandon Judd” OR “Chris Crane” OR union!) & militia!

Thank you,

Shut Down All Ports Of Entry

September 20, 2014

Mission Statement:

We are a representation of Americans who are unsettled and deeply concerned with our current Administration, in all branches of Federal and State governments. Our mission is to Shut Down, every United States' Port of Entry on the Southern Border, until our Goals are met.

This action will force the elected officials in The United States and Mexico, to come up with a permanent and legitimate solution for dealing with the Illegal Immigration issue, enforce our rule of law, and bring our Marine, Sgt. Tahmooressi, home. This protects all American citizens and those legal immigrants who wish to come here through legal channels.

.....

The Border Shut Down will remain in place, until our Goals are met, in writing, from both the United States and the Mexican governments. All documentation, in compliance to our Goals, must be official and legally binding. By doing this, we will stop approximately 1.4 Billions dollars of trade, per day, from going into, and out of, Mexico and The United States of America.

Our Goals, as follows, are non-negotiable:

1. Immediately and unconditionally, release Sgt. Andrew Tahmooressi.
2. Give the United States Border Patrol and ICE Agents back their authority to complete their job and defend the immigration laws of The United States. Allow them to detain and remove, any and all illegal aliens, *especially* including armed gang members, cartel members, and drug mules; overturning current procedure. End "catch and release", permanently.
3. A clear plan of action and confirmed intent to permanently seal off our Southern border, by means of a military grade fence with razor wire (or similar equivalent) *and* adding any and all additional Border Patrol Agents and militarized National Guard members needed to further deter any unauthorized entry. The Southern border **MUST** be sealed.
4. All foreign aid currently designated for Mexico is bookmarked for a plan of action to build up their middle class. All funding for countries supporting any terrorist organization (ISIS, Muslim Brotherhood, Hamas, Al Qaeda, etc.) are to be immediately halted and disbanded.
5. Repeal the Trust Act and enforce all Federal Immigration Laws, ensuring there are no more Sanctuary Cities.
6. Immediately end all Federal and State government financial, educational and medical assistance to all illegal aliens.
7. Enforce current Federal Law, which prevents any person, group, business, organization or local government from harboring or hiring an illegal alien. Penalties upon conviction include criminal fines, imprisonment, and forfeiture of vehicles and real property used to commit the crime.
8. Grant immunity and fear from retaliation for all protesters involved in this protest that have conducted themselves in a peaceful manner and not used this forum to conduct criminal activities.

May God Bless America and the citizens that stand in defense of her!

Subject: SA: New Militia To Be Formed, Deployed To Texas-Mexico Border-UPDATE 667 to MMC IOI # (b) (7)(E)
Date: Friday, August 29, 2014 1:31:36 AM

Location(s): Texas

A Beaumont man is helping organize a militia to head down to Brownsville this fall. The militia will most likely take on the name "**Golden Triangle Tactical Border Project.**" Militia volunteers will be paid and outfitted with \$5,000 worth of military gear. The gear includes a **Troy AR-15 rifle**, military-grade night vision goggles and a 30-pound plate carrier.

Potential volunteers must pass a background check and a physical fitness test in order to join the group. The group will do "basic infantry-style training." Members will be informed of the general rules for camping and patrolling at the border, including not being able to detain people, not firing at anyone (unless it's self-defense) and not consuming alcohol.

The formation of this group comes just days after the deployment of Texas National Guard troops to the border in response to the detainment of 63,000 unaccompanied minors who entered the U.S. illegally from October to July. Texas Military Forces representatives declined to comment on the activities of independent militias and how it affects the work of National Guardsmen.

Border Patrol and Texas Department of Public Safety (DPS) troopers have mistaken militia groups for tactical groups from DPS. One instance prompted the Border Patrol to circulate an "issue paper" that warned other agents of these activities.

The following information is being disseminated at the request of the (b) (7)(E) .

(U//FOUO) Armed Biker Gang Plans "Draw Muhammad Cartoon Contest/Protest"—Phoenix, Arizona.

28 May 2015

(U//FOUO) In response to the Garland, Texas attack at the "Draw Muhammad Contest" on 03 May 2015, an event called "Freedom of Speech Rally Round II" including a "Draw Muhammad Contest" is scheduled to take place in front of the Islamic Community Center of Phoenix at 7516 N Black Canyon Hwy, Phoenix, Arizona 8505, on 29 May 2015 at 6:15 PM MST, according to open source media analysis.

(U//FOUO) The event is being hosted by a motorcycle enthusiast with links to the Hell's Angels, Arizona State Militia and numerous atheist and anti-religious groups. Participants have been actively encouraged to bring firearms to the event "just in case our first amendment comes under the much anticipated attack."

(U//FOUO) 163 people have RSVP'd for the event so far according to open media sources, the official "Freedom of Speech Rally Round II" page shows 293 individuals "interested" in attending the event. Following the main rally, an after party will be held at a nearby saloon called "Wild Bill's" where the "Draw Muhammad Cartoon Contest" winner will be announced.

(U//FOUO) According to open source media reports, the event has gained national attention, drawing both support and condemnation. According to analysis of public media commentary, many participants plan on wearing clothing and using inflammatory depictions of religious figures at the event.

(U//FOUO) Currently there are no known specific threats at this time against the event titled "Freedom of Speech Rally Round II"; however, homegrown violent extremists inspired by Islamic State of Iraq and the Levant (ISIL) or al-Qaida could conduct retaliatory attacks either locally or elsewhere in the United States without any advanced warning.

Good Afternoon,

Tucson Sector (TCA) Policy and Compliance Division (PCD) is requesting assistance with policies related to **Militia, or "Minuteman."** TCA PCD has been asked to locate any national policies (if any exist) regarding this topic. Specifically, if any procedural guidance or policy has been created which gives agents instruction regarding encounters with armed/unarmed Militia members.

Are agents required notify specific parties/agencies after coming into contact with these groups? Are there reporting requirements?

Any assistance provided is sincerely appreciated.

I have searched PODS, CBPnet, AskHQ, the Office of Public Affairs site, and all of our local TCA drives stemming back to the late 1990's, I was able to find the attached document titled "*Use of Public Affairs Guidance*" on CBPNet but the links within are not functional. Within this document there is a section shown below which may have been useful if it was functional.

Section 26

26 Civilian Defense Groups(Minutemen)(2).DOC

I have also attached all local memorandums, none of which address specific guidance regarding Militia Groups.

I spoke with the Federal Communications Division here at TCA Sector and they mentioned that encounters with armed militia type groups or citizenry should be addressed at the station level, and quite possibly has been in the past at a station level, however we need to know if any guidance or policies exist for this topic at all.

Please let me know if you require anything else at all.

These PAGs have been developed to provide a brief synopsis of issues with potential for media interest. The PAGs include a short background on the issue as well as additional information that will help you address possible questions on the topic. OPA is currently working to update the information contained in the PAGs. If you notice outdated information or have additional insights to contribute on these topics, I encourage you to share your thoughts as we enhance this resource. Your expertise with these topics and the feedback you can provide will be a great asset in developing valuable PAGs.

Please submit your comments and required updates on the PAGs to (b)(6);(b)(7)(C) Headquarters Public Affairs Liaison, by February 12, 2010. (b)(6);(b)(7)(C) can be reached on (b)(6);(b)(7)(C)

Minuteman Project Activities

A group called Civil Homeland Defense (CHD) has begun to organize an operation to take place in the Naco Border Patrol Station AOR. They are called The Minuteman Project (MMP). This operation will reportedly take place in and around the (b)(7)(E) with a possibility of a "Mountain Operation" in the (b)(7)(E) beginning on April 1, 2005 and lasting approximately 30 days. As of this writing, according to the CHD website (www.minutemanproject.com), they have received 519 volunteers from 46 states with pledges of attendance by various individuals from around the United States, to include 7 pilots and 7 aircraft. This information is being widely distributed via the Internet.

The stated intention of this group is to observe illegal aliens and notify the Border Patrol. They intend to do this on foot, in vehicles and by aircraft. This type of activity raises many concerns for the safety of our agents who may encounter armed individuals in dark canyons, the "Minutemen", and the illegal aliens crossing the border.

Tucson Sector Border Patrol has taken several steps to address this situation:

1)

(b) (7)(E)

Memorandum to: (b) (6), (b) (7)(C)
Subject: Minuteman Activities

Page 2

2) (b) (7)(E)
3)

4) Media interviews have already been conducted to publicly emphasize the dangers of this type of activity.

In addition to the above steps, the following actions are being planned:

1) (b) (7)(E)
2)
3)
4)
5)
6)
7)

In addition to the above steps, other enforcement operations will be conducted on an as needed basis, to ensure that the border area is safe and secure.

If you have any questions, please do not hesitate to call me.

SUBJECT:

Minuteman Project Activities – December 2005

The Minuteman Project (MMP) organization conducted a border watch exercise on December 9, 2005, through December 12, 2005, within the Tucson Sector's area of operation (AOR).

The following is a synopsis of their activities and the statistics from their exercise:

- An MMP spokesperson claimed that a total of 18 members participated in the exercise. Their activities took place in the eastern section of the State of Arizona, but they were mostly concentrated in the Naco Station's AOR in the area of (b) (7)(E) Arizona.
- On December 9th, at approximately 6:30PM, a lieutenant from the (b) (7)(E) County Sheriff's Office (CSO), called the Naco Border Patrol Station to advise that the Minutemen were utilizing a fixed-wing aircraft in the (b) (7)(E) area in (b) (7)(E) Arizona. That same evening, at approximately 9:20PM, Border Patrol Agents observed a FOX 11 News crew van staging at the (b) (7)(E) and (b) (7)(E) intersection. The news crew was covering the MMP activities. On December 12th, a self-proclaimed Minuteman reported, to the (b) (7)(E) Station, five suspected illegal aliens walking along (b) (7)(E) near mile marker (b) (7)(E). Agents responded and apprehended all five. Interviews determined that no contact took place between the aliens and the reporting party.
- At a recent multi-agency intelligence meeting, a (b) (7)(E) CSO deputy advised that the Minutemen were planning to conduct one operation per month in the State of Arizona.
- No other MMP activities were reported or observed.

News Release

Laredo Sector Border Patrol Agents Make Narcotics Seizures

LAREDO, Texas – Border Patrol agents from the Laredo Sector seized narcotics in two separate cases.

On August 17, 2015, Laredo North Station agents observed 6 subjects attempting to smuggle four bundles of marijuana into the United States while working their assigned duties. Upon encounter, the subjects absconded back to Mexico. Agents recovered 5 bundles of marijuana with a weight of 361.77 lbs. with an estimated value of \$289,416.00 USD. The marijuana was turned over to DEA.

On August 18, Agents assigned to the Laredo North Station attempted to make a vehicle stop on a Ford Taurus 250 by the Mines Road area that failed to yield. The driver absconded, but the passenger was apprehended. A search of the vehicle revealed four bundles of marijuana inside the vehicle, totaling 291.67 lbs. with an estimated value of \$233,336.00 USD. The vehicle, marijuana, and the subject were turned over to the Laredo Police Department.

The Laredo Border Patrol Sector is part of the Joint Task Force-West South Texas Corridor, which leverages federal, state and local resources to combat transnational criminal organizations. To report suspicious activity such as drug and/or alien smuggling, contact the Laredo Sector Border Patrol toll free telephone number at 1-800-343-1994.

Does this Militia statement still implies? Media is inquiring as BP encountered a Militia member today and media is inquiring..

Militia Statement:

CBP does not endorse or support any private group or organization to take border security matters into their own hands as it could have disastrous personal and public safety consequences. CBP strongly encourages concerned citizens to call the U.S. Border Patrol and/or local law enforcement authorities if they witness or suspect illegal activity.

Securing our nation's borders can be dangerous. Interdicting narcotics and deterring and apprehending individuals illegally entering the United States requires highly-trained, law enforcement personnel. In all cases, individuals should not attempt to detain, provide transportation or any other assistance to migrants that may be viewed as furtherance of illegal entry. Detaining or assisting an undocumented migrant could result in prosecution.

Larry Schwartztol
The Protect Democracy Project

Washington, DC 20006

Dear Mr. Schwartztol:

As agreed to in *The Protect Democracy Project v. U.S. Department of Homeland Security, et al.*, Case No. 17-cv-2202, this is the second interim response to your Freedom of Information Act (FOIA) request to U.S. Customs and Border Protection (CBP), on behalf of The Protect Democracy Project, in which you are seeking records pertaining to unaffiliated border enforcement groups in the El Centro Sector including: Arizona Border Recon, Arizona Militia, Citizen Defenders, The Minutemen Project, Rusty's Rangers, Texas Militia or Three Percent United Patriots.

A search of CBP databases produced 18 pages of records responsive to your request. CBP has determined that the 10 pages are partially releasable, pursuant to Title 5 U.S.C. § 552 (b)(6), (b)(7)(C), and (b)(7)(E) and eight (8) pages will be withheld in full pursuant to Title 5 U.S.C. § 552 (b)(7)(E).

Uploaded to your FOIAonline account and attached to this email are 10 pages with certain information withheld as described below:

FOIA Exemption (b)(6) exempts from disclosure personnel or medical files and similar files the release of which would cause a clearly unwarranted invasion of personal privacy. This requires a balancing of the public's right to disclosure against the individual's right privacy. The types of documents and/or information that we have withheld may consist of birth certificates, naturalization certificates, driver license, social security numbers, home addresses, dates of birth, or various other documents and/or information belonging to a third party that are considered personal. The privacy interests of the individuals in the records you have requested outweigh any minimal public interest in disclosure of the information. Any private interest you may have in that information does not factor into the aforementioned balancing test.

FOIA Exemption (b)(7)(C) protects records or information compiled for law enforcement purposes that could reasonably be expected to constitute an unwarranted invasion of personal privacy. This exemption takes particular note of the strong interests of individuals, whether they are suspects, witnesses, or investigators, in not being unwarrantably associated with alleged criminal activity. That interest extends to persons who are not only the subjects of the investigation, but those who may have their privacy invaded by having their identities and information about them revealed in connection with an investigation. Based upon the traditional recognition of strong privacy interest in law enforcement records, categorical withholding of information that identifies third parties in law enforcement records is ordinarily appropriate.

FOIA Exemption (b)(7)(E) protects records compiled for law enforcement purposes, the release of which would disclose techniques and/or procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law. CBP has determined that disclosure could reasonably be expected to risk circumvention of the law.

This completes CBP's second interim response to your request. If you have questions or concerns regarding this interim response, you may contact Assistant United States Attorney Scott L. Sroka at (202) 252-7113 or email Scott.Sroka@usdoj.gov.

Please notate file number CBP-2017-084648 on any future correspondence to CBP related to this request.

Sincerely,

Unintended Media Interaction

On October 25, 2016, I was informed of a news article published in the recently released November/December issue of Mother Jones and an accompanying video (in the same article) containing comments made by me. These comments were recorded by a reporter named (b) (6), (b) (7)(C) who was embedded with the militia group unbeknownst to them who recorded my comments without any of our knowledge. Upon finding out about this article I immediately informed my Watch Commander (b) (6), (b) (7)(C) who then requested a memorandum.

On April 12, 2016, I was assigned to assist with (b) (7)(E). As part of this assignment I was tasked with (b) (7)(E) pass on activity from the previous shift, and work activity in the (b) (7)(E) area of responsibility if I'm available.

At approximately 10:30 p.m., I was dispatched to an area known as the (b) (7)(E) because an (b) (7)(E) of four groups of three bodies moving north. Border Patrol Agents (BPA) (b) (6), (b) (7)(C) and I moved into separate positions and interdicted the first group. Upon encountering three armed individuals all wearing armor and with night vision devices it was learned that they were all United States Citizens and were part of the 3% United Patriots militia. We then waited for all four groups to regroup and walked with them to (b) (7)(E) where they were eventually picked up.

While at (b) (7)(E) I talked with the militia members while unknowingly being recorded by a reporter named (b) (6), (b) (7)(C) identifies me as (b) (6), (b) (7)(C) and quotes me throughout his article and in the video with the following quotes; "I love my job, I have days where I'm like fuck this. This is the worst mistake I've ever made. But most of the time if I sit back and I think about it, I come in and play hide and seek, steal weed off of people, steal vehicles from people-legally and watch Netflix". "I love having y'all out here, man. It impresses me that you guys come out and do my job for me for no pay at all." "Give me a good heads-up

(b) (6), (b) (7)(C)

next time you guys are gonna come down. If you plan on coming to the (b) (7)(E) area, since you're out in Colorado maybe I can take a trip out and give you guys an unauthorized brief. Or at least give you something in writing so you guys can brief and whatnot." "Then when y'all get down here I can link up with you again and whatnot." "He says he does the same with another militia that does ops down here". "You didn't hear this shit from me," When asked by one member of the group where would be a good location for them to set up an observation post, I stated (b) (7)(E) Perfect.". I then proceeded to show the group how to get to the (b) (7)(E) likely crossing points along the road (low points), and high points you can see from the (b) (7)(E) while conducting my cut of the (b) (7)(E)

(b) (7)(E)

future. The entire interaction lasted no longer than 30 minutes and did not prevent me from responding to any other duties. If I had known there was media embedded with the group I would not have spoken with them at all. I did not at any time talk about (b) (7)(E) locations, how we conduct our operations, or our manpower numbers. I have not had any further contact with this group.

Militia Encounter

On April 12, 2016, I was assigned to Border Patrol duties on the east side of **(b) (7)(E)** Arizona. Between 10:30-11:30 PM., a **(b) (7)(E)** informed via radio that he saw a group of three individuals walking through the woods near an area known as **(b) (7)(E)** area.

I responded to the group and drove my assigned government vehicle near the intersection of **(b) (7)(E)** where **(b) (7)(E)** of the individuals. I began to walk toward the individuals, carrying my assigned M4 rifle and because of the isolated area and dark conditions, I was using my night vision goggles in order to walk through the tough terrain. While I was walking, the **(b) (7)(E)** another two group of three individuals not too far from where he saw the initial group. Border Patrol Agent (BPA) **(b) (6), (b) (7)(C)** and BPA **(b) (6), (b) (7)(C)** also responded to the **(b) (7)(E)** area as well. I continued walking toward the initial group in a tactical manner guided by the **(b) (7)(E)** utilizing my night vision goggles. When I got close to the group, I turned on my flashlight, commanded them so not move, and identified myself as a Border Patrol agent. The group did not move and I saw that the group of individuals was wearing tactical clothing and were equipped with long arms, night vision goggles, and some type of radio communication equipment. I approached the group and they told me they were part of a militia group.

Shortly after I made the initial contact with the group, BPA **(b) (6), (b) (7)(C)** arrived. I radioed the **(b) (7)(E)** about the militia group, as well of the other two groups that he had **(b) (7)(E)**. The militia members radioed their other two group members about Border Patrol agents in the area and instructed them to walk to the main road and get together.

SUBJECT:

Contact with "Undercover Reporter"

On April 12, 2016, I was assigned U.S. Border Patrol duties on the East Side of Nogales, Arizona. Toward the end of my shift (b) (7)(E) (b) (7)(E) informed me that a group of possible undocumented aliens was walking north towards the (b) (7)(E) (b) (7)(E) Border Patrol Agent (b) (6), (b) (7)(C) and I drove out and attempted to make contact with the individuals. Agent (b) (6), (b) (7)(C) was about 100 yards ahead of me and made contact with the individuals first. I was watching through my issued night vision goggles as I approached and saw several armed individuals kneel in front of Agent (b) (6), (b) (7)(C). The individuals identified themselves as a portion of the militia group "3 Percent United Patriots," from Colorado.

As I approached, I saw Agent (b) (6), (b) (7)(C) speaking with members of a militia. A short time later Agent (b) (6), (b) (7)(C) left the area and Border Patrol Agent (b) (6), (b) (7)(C) from the (b) (7)(E) arrived on scene as I was about to leave.

Agent (b) (6), (b) (7)(C) spoke with the militia group for a bit and I stayed to back him up. I do not remember what Agent (b) (6), (b) (7)(C) spoke to them about as I was talking with one of the militia members and inspected his rifle. I left a short time later when I felt that the scene was safe.

On October 25, 2016, while assigned Border Patrol duties on the east side of (b) (7)(E) Arizona, I received a text via personally owned cellular telephone from another agent. He informed me that he believed that I may have been seen on a video on the website "fusion.net" for "YouTube.com." I looked at the link and discovered that a reporter identified as (b) (6), (b) (7)(C) had secretly video-taped the (b) (7)(E) encounter between the Colorado 3 Percent United Patriots militia group, and Agents (b) (6), (b) (7)(C) and I.

On the video tape I was shown standing next to Agent (b) (6), (b) (7)(C) and in another frame, I was shown looking at one of the militia members' rifles. The online video is approximately 8 minutes, 22 seconds long.

(b) (6), (b) (7)(C)

Upon reviewing the tape and the online article that Mr. (b) (6), (b) (7)(C) wrote, I met with my immediate supervisor, Supervisory Border Patrol Agent (b) (6), (b) (7)(C) SBPA (b) (6), (b) (7)(C) advised me that it's possible that I would have to write a memorandum regarding this incident and to see the Swing Shift Watch Commander, (b) (6), (b) (7)(C) Mr. (b) (6), (b) (7)(C) informed me on 10/26/2016, that a memorandum was needed in regards to this incident. I contacted BPA (b) (6), (b) (7)(C) about the video and advised him that he should show his Shift's chain of command.

At no time do I recall being informed that I was being videotaped by a member of the media and I did not know it at the time. I do not recall giving any official statements on Border Patrol positions, information relevant to Border Patrol Operations, nor information sensitive to Border Patrol Operations or Law Enforcement.

Think Arizona Minutemen.....they patrol the border because the US govt is not doing enough....from my perspective, they make the border a more dangerous environment. They have a website, they say they are not a militia and that their mission is to gather Intel and report it to us.....from what I understand they do a pretty good job of communicating to (b) (7)(E) when they are in the AOR.

We can't stop them from what they are doing and treat them like any other citizen providing information to us.
